## PRIVATE LESSON POLICIES

### SCHEDULE

The players will inform receptionists of their preferred days/times that they are available and their preferred coach. Modu will schedule a time that works best for both the player and the coach based on each party's availability.

Please note that Private and Semi-Private Lessons with Head Coaches are only accessible to Members who are enrolled in group lessons and represent Modu Club.

All competitive players are required to schedule one private lesson per week to be enrolled in the program.

### PAYMENT

Payment is due in full before the start of a private lesson (cannot confirm booking without payment).

- Bookings must be fully paid before the start of the lesson. If booking for the entire term, then the entire term is required to be paid for. Players cannot reserve a spot without payment.
- If a spot is reserved without payment, the booking is subject to cancellation and the spot may be given away to other players who wish to schedule.

### CANCELLATION

If the player(s) cannot attend a scheduled class, it is the responsibility of the player(s) to let Modu know at least 24 hours before the session. This allows other players to book that time instead.

**If the player cancels or reschedules the private lesson within 24 hours of the scheduled time, 50% of the lesson fee will be charged. For semi-private lessons, if one player cancels within 24 hours and their partner shows up, then the 50% cancellation fee will be charged to the player who missed and the partner who attends will be given a 30-minute private. If the partner wishes to do an hour private, they will be requested to pay the difference.**

If due to any reason the coach cancels, we will provide a store credit on the player's profile to be used for the next visit. If players do not wish to have the credit and wish to receive a refund, we will assist you with it.
